Breathing Life Into Theatre

#GIVINGTUESDAY2021

Mark your calendars for **Tuesday, November 30**, for #GivingTuesday 2021. I will be sharing some great posts on our Facebook, Instagram, and Twitter accounts, inviting you to learn how we are making a difference in the lives of the young people we. We could not have done it without your support, and we look forward to seeing how you can **Help Youth Shine** in 2022.

We have several different ways you can show your support for the MRA Foundation.

- Wear and share your "I Support the MRA" sticker on your social media accounts. You can pick up a sticker at our All Together Now event or from one of our board members.
- Make a meaningful financial gift on #GivingTuesday
- Become a MelRose Angel - our monthly giving program. <https://givebutter.com/MelRoseAngels>
- Volunteer 22 hours of service for 2022!
- Share our mission with your friends and family.

NINJA NOTES

The Ninjas have been busy planning the upcoming fundraiser "All Together Now!" on Sunday, November 14. They have recently welcomed two new Jr. Board members and are recruiting committee members. Led by Owen Boatright as their President, they've hosted a free Laser Tag event on Wednesday, October 20, and are very excited to begin planning their winter seasonal events. They hope to enlist more Ninjas soon and will continue to work hard on their mission to provide a safe and inclusive place for youth.
